October 24, 2021

Our Essential Question

How can I make the case that I'm  
ready for my next leadership  
role?

# Convince Yourself First

- This job makes sense for me
- It advances my goals
- It's a realistic next step

If you aren't convinced...you won't be able to convince the interview team!

# Ask Around

- What would be a good next step for me?
- What job did you have before you become a \_\_\_?
- Do you know anyone who's looking for a \_\_\_?
- Would you be willing to put in a good word for me?
