Why Most Leaders Didn't Get Into Classrooms Much This School Year

INSTRUCTIONAL
LEADERSHIP SHOW

Essential Question

Why do most school leaders find it so difficult to escape the office and get into classrooms every day?

Everyone Tries

It's not for lack of trying
to get into classrooms.

Too High A Bar

- Too many visits per week
- Too much data to collect
- Too many form fields to fill out
- Too much feedback to provide
- Too high a standard of impact
- Too high-stakes

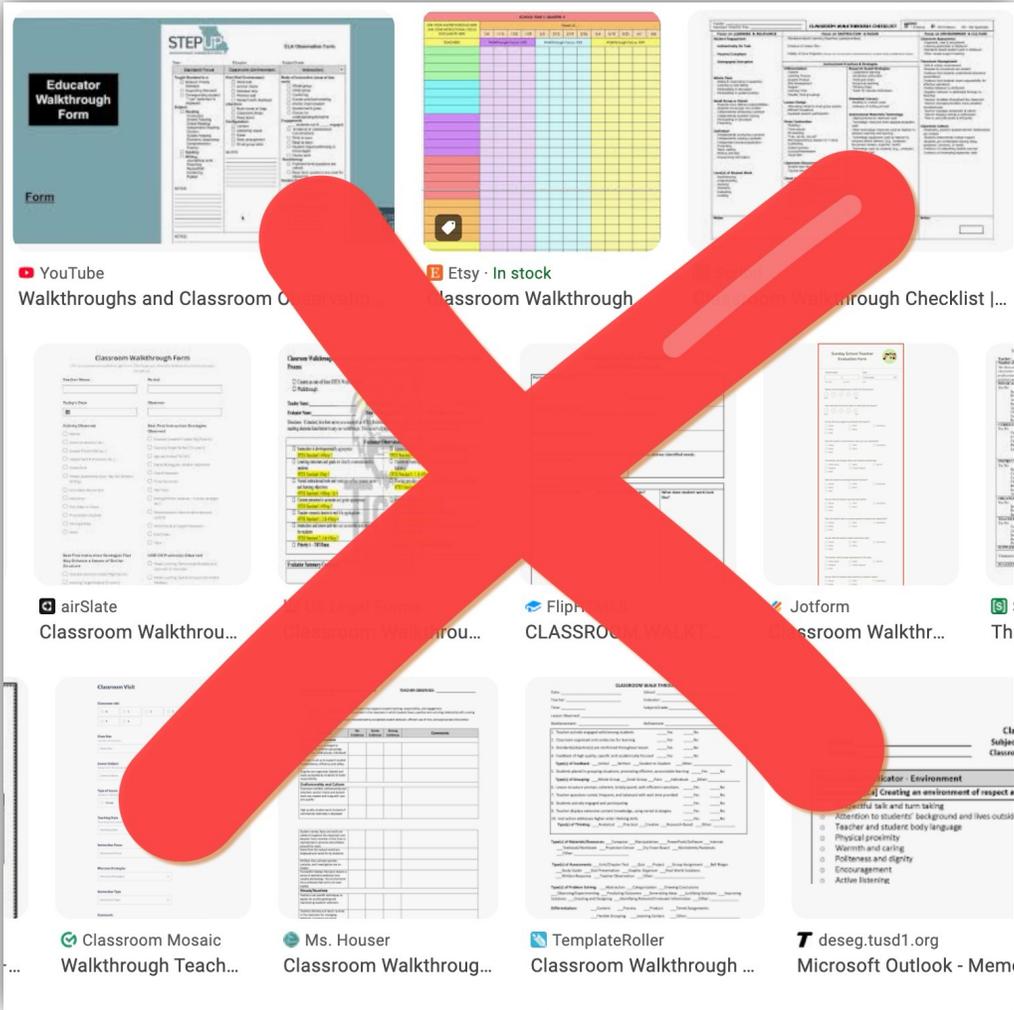

The Information Problem

What you *want* to see—or what a *form* wants you to see—has no bearing on what you *actually* see in the classroom
