EPISODE 315

#### Touring Your Campus With Fresh Eyes for the New School Year

#### **Essential Question**

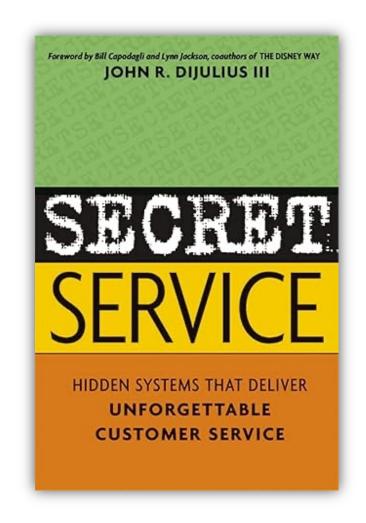

How can I experience my campus as first-time visitors/callers would, so I can design a more welcoming and clear experience?

### How To Make People Feel

## Design: Entry Doors

### **Entry Doors**

- Is this a place I can actually enter?
- Will someone answer if I press the button?
- Do I need to say anything?
- Will the door buzz when unlocked?

## Signage
